

Website Planning Document

Site Name

Cloudy and Clear Weather site.

The name is a combination of two usual weather characteristics on a day, it helps the user to recognize what's the site about immediately.

Site Purpose

The purpose of this site is to show, in an easy display, the probability of the Weather during the day.

With the option of specific details about three different cities, having five different links from the "HOME"

(To show the comprehension of the basic skills on HTML and CSS for the Course CIT230)

Target Audience and Scenarios

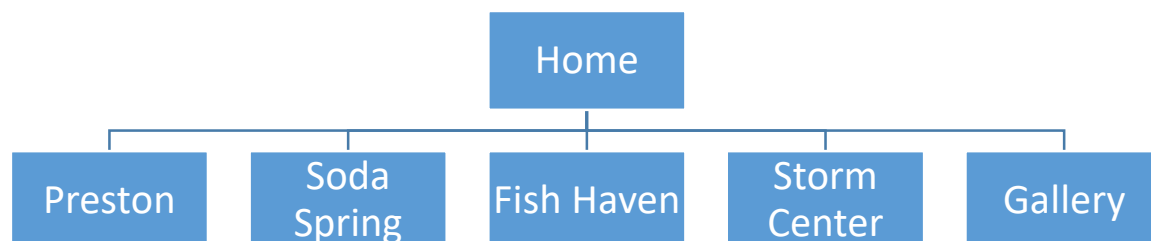

The target audience of Cloudy and Clear web site is described below:

Age: 25 to 100

Profession: Fishermen, navy people, delivery drivers, event planners, flight services and more outside related jobs.

Motivation: To be a helpful tool for the customers
